#### CONGRATULATING THE ASIA PACIFIC CULTURAL CENTER FOR 25 YEARS OF SERVICE AND DEDICATION

(Mr. KILMER asked and was given permission to address the House for 1 minute.)

Mr. KILMER. Mr. Speaker, E Pluribus Unum, out of many, one.

Our Nation's motto reflects the truth embodied by the Asia Pacific Cultural Center for the last 25 years; that our region's diversity is a blessing; that the people in the cultures that have come from so many places should be celebrated. And, importantly, that the celebration of that diversity can be a force for uniting us.

Since 1996, the Asia Pacific Cultural Center has served as that unifying force in our region, providing programs to support and honor the Asian and Pacific Islander people. It has brought us together.

Over the years, so many of us have learned from APCC programs. Personally, I have participated in traditional ceremonies at Samoan Cultural Days and at the Korean Chuseok Festival. I have tried and even made all kinds of cuisine. I have joined the APCC in healing after tragic moments in our country. Like others, I have joined them in joy and celebration.

I would like to recognize the organization's tremendous leadership, including Lua Pritchard and Patsy Surh O'Connell and congratulate the APCC for 25 years of service and dedication to our community. Here is to many more.

#### THE BIDEN ECONOMY IS MOVING IN THE WRONG DIRECTION

(Mr. WILSON of South Carolina asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. WILSON of South Carolina. Mr. Speaker, the Biden economy is moving in the wrong direction, destroying jobs and destroying small businesses.

In the Commerce Department report last week, the estimated third quarter Gross Domestic Product—the value of all goods and services produced in America—came in at a low 2 percent, lower than the last quarter, with Americans making less, below inflation.

Congressman KEVIN BRADY, the Republican leader of the House Ways and Means Committee, has said that there is more proof that President Biden is bungling the recovery, and now faces

serious questions about his competency to heal our economy.

Economic growth has already peaked for President Biden's Presidency, and now he is nearly a million jobs short of his promises. Democrat elite think they are smarter than anyone, and they think Democrat voters are ignorant to believe that \$3.5 trillion in spending costs zero.

In conclusion, God bless our troops, who successfully protected America for 20 years as the global war on terrorism continues moving from Afghanistan to America due to Biden ignoring military advice.

#### RECOGNIZING KRISTALLNACHT COMMEMORATION

(Ms. SPANBERGER asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. SPANBERGER. Mr. Speaker, I rise tonight to recognize the Kristallnacht Remembrance Service that has taken place in the community I represent for more than 60 years.

In 1938, during Kristallnacht, the night of broken glass, more than 90 Jews were killed, murdered, and 30,000 Jewish men were arrested and sent to concentration camps. Hundreds of synagogues were burned, and thousands of Jewish homes and businesses were ransacked. It was a prelude to the horrors to come.

Every year, central Virginians come together on the anniversary of Kristallnacht at the Emek Sholom Holocaust Memorial Cemetery in Henrico County, a cemetery that serves as the final resting place for so many Virginians with ties to the Holocaust.

At the service, our community joins to remember what took place, honor loved ones, and remind us that we can never forget.

I am immensely grateful to the local leaders in central Virginia's Jewish community who bring people together for this remembrance service.

This community is committed to education and celebrating Jewish culture, and the Kristallnacht Remembrance Service is indicative of that spirit and that commitment.

#### RECOGNIZING THE YOUNG HARRIS COLLEGE MEN'S SOCCER TEAM

(MR. CARTER of Georgia asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. CARTER of Georgia. Mr. Speaker, I rise today to congratulate and celebrate the accomplishments of the Young Harris College men's soccer team.

As an alumnus of Young Harris College, I am honored to recognize the hard work and resiliency of the entire staff and team.

On October 20, the team rallied together to win the 2021 Peach Belt Conference title. Scoring twice in the last

5 minutes, the Mountain Lions were able to secure a 2-1 win over Georgia Southwestern State University for the title. This victory marks the sixth Peach Belt Conference title in program history.

Beyond the soccer field, these student athletes are to be commended for their academic success and commitment to the Young Harris College Community.

I, along with the entire Mountain Lion community, will be cheering the team on as they continue their season. Congratulations to the players, coaches, and parents on an incredible season and a well-deserved win.

Go Mountain Lions.

#### AMERICAN STEEL AND ALUMINUM INDUSTRIES SERVE OUR NATION

(Ms. KAPTUR asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. KAPTUR. Mr. Speaker, I rise in support of the Section 232 steel and aluminum agreement that President Biden's administration has reached with the European Union.

This agreement is critical as a safeguard for national security, to restore and improve our transatlantic alliances, and bolster the American steel and aluminum industries that serve as the backbone of this country.

Establishing a level playing field through robust enforcement mechanisms will ensure that American companies are able to compete in the marketplace, not forced to contend with the cheaper and shoddier metals dumped around the globe by China and others.

President Biden is delivering for domestic manufacturers and our union brothers and sisters who build up America. Together, we will continue our work to create the good-paying middle class jobs our families deserve. Let us rebuild our communities with the innovation and ingenuity that only American industries can produce.

#### RECOGNIZING DAVE WILLIAMS AS THE VOICE OF AGRICULTURE

(Mr. THOMPSON of Pennsylvania asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. THOMPSON of Pennsylvania. Mr. Speaker, I rise today to recognize the voice of agriculture in Pennsylvania and beyond, Mr. Dave Williams.

Dave has been a key voice in agriculture for more than 20 years. A farmer himself, Mr. Williams never expected to air on nearly 30 radio stations, three networks, and weekly PCN-TV.

His first show aired on WDNH-AM 1590 in 1998. He believed it was important to involve the consumers who buy and eat the foods so that they could have a better understanding. He was right. From there he went on to interview State and Federal legislators,
